OBJECTIVE

Hello! I'm a first-year college student looking for a fulfilling summer job. I'm deeply interested in all things related to humans and am looking for a job where I can either connect with people through customer service, or study human connection. I'm friendly, approachable, adaptable, and eager. References are available upon request :)

SKILLS

- Eager: to help people, to accomplish tasks, to learn and implement new things
- Proficient Spanish skills (through the 5th semester college level)
- Photography
- Basic photo editing, graphic design, and web design with photoshop, wix, and canva

EXPERIENCE

CARRY-OUT TEAM MEMBER

Swanson's Plant Nursery
March 2024 - Present

Worked in the soils department advising customers on ideal soil makeup. Carried 50+ lb bags of soil to customers cars. Adapted to fill other nursery positions when needed. Sorted inventory, hosted children's events, worked with team to upkeep 3 acres of property.

BABYSITTER

October 2021 - Present

Worked for upwards of 10 families, babysitting 2-10 year olds. Manage the usual qualms of babysitting: from diaper changes to tantrums to vomit cleanup and pet care. On one occasion, successfully rangled a group of 17 kids at a park for 3 hours.

INTERN & VOLUNTEER

Pike Market Food Bank
January - December 2023

Interned full-time for 3 weeks; then returned when school schedule allowed. Packed no-cook meals, loaded grocery bags, managed inventory and deliveries, and organized stock. Built relationships with coworkers and clients. Delivered groceries to less mobile clients. Proposed eco-friendly plastic waste reduction method.
